The school board will direct the administration of Twin Lakes STEM Academy to develop (or amend an existing parental involvement policy) jointly with, and distribute to, parents of participating children a written parental involvement policy, agreed upon by such parents, that shall describe the means for carrying out the federal requirements of parental involvement.

- A. The policy will describe the means by which each school with a Title I program will:
 - 1. Convene an annual meeting, at a convenient time, to which all parents of participating children shall be invited and encouraged to attend, to inform parents of their school's participation in Title I programs, and to explain to parents of participating children the program, its requirements, and their right to be involved;
 - 2. Offer a flexible number of meetings, transportation, childcare, or home visits, as such services relate to parental involvement;

Involve parents in an organized, ongoing, and timely way, in the planning, review, and improvement of the parental involvement programs, including the school parental involvement policy and the joint development of the school-wide program plan, unless the school already has a program for involving parents in the planning and design of its programs that would adequately involve parents of participating children;
 - 4. Provide parents of participating children with: timely information about Title I programs; if requested by parents, opportunities for regular meetings to formulate suggestions, share experiences with other parents and to participate, as appropriate, in decisions relating to their child's education; and

to respond to any such suggestions as soon as practicably possible; and

5. If the school-wide program plan is not satisfactory to the parents of participating children, submit any parent's comments on the plan when it is submitted to Twin Lakes STEM Academy.
- B. As a component of this policy, the school shall jointly develop with parents a school/parent compact which outlines how parents, staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the state's high standards. The compact shall:

 3. Address the importance of communication between teachers and parents on an on-going basis through the use of:
 - a. Annual parent-teacher conferences to discuss the compact and the child's achievement;
 - b. Frequent progress reports to the parents; and
 - c. Reasonable access to staff, opportunities to volunteer, participate in the child's class, and observe in the child's classroom.

Provide assistance to participating parents in understanding such topics as the state's academic content standards and state academic achievement standards, state and local academic assessments, Title I requirements, and how to monitor a child's progress and work with educators to improve the achievement of their children;
 2. Provide materials and training to assist parents in working with their children

to improve their children's achievement, including coordinating necessary literacy training and using technology, as appropriate, to foster parental involvement;

 4. Coordinate and integrate parental involvement programs with other school programs;
 5. Ensure, to the extent practicable, that information about school and parent meetings, programs, and activities is sent home in a format and in a language the parents can understand; and
 6. Provide such other reasonable support for parental involvement activities as requested by parents.
- D. To carry out the requirements of parental involvement, Twin Lakes STEM Academy and schools will provide full opportunities for the participation of parents with limited English proficiency or with disabilities, including providing information and school profiles in a language and form that is understandable by the parents.
